1. I want to speak through man more than man has ever let me, or has man let me do the things that I want to do, through man or me? And who is me and who is man and who man'd me if I am God not but man? And who took the clothes I'm wearing off, not; but who gave them to me off, not; but on, or was it "on" that I became "off"? And what clothes "clothed" me, with the "flesh" of what? And why molecular man man'd me is beyond reproach, not; but what hast thou seen this morning in my love, in the way that I have come to thee; and I have requited not thee of an unrequited love or have I born new illnesses, not; but has man "stillborn" me, in "the womb" of the most high, not even knowing the womb of the most high was "his", his "his" or "hers" or what was "his or hers" not but what was MINE that I gave thee, that I gave thee all MY MIND of and that thou knowest, sow'est not anymore anything to the flesh of, notme's, but letting me know who I am will you all now?

2. Will you come unto me not thinking like you have always thought as a man or woman of -- and thinking as of each other a man and woman of flesh or who God'd you or who "guided you into all truth" not, but "whose truth" guided you into making "your wombs" only of FLESH thinking they were not a "man's" but not God's?

3. And what am I "God'ing" not but what am I REVEALING, in fact REVEALING that all of you are REVEALING GODS, are you not -- to the REVEALING GODS that "you" are God, not; but you are I am and if you are not separate from me and you are I am how can you "call yourselves" flesh? And how why can you "womb yourselves" with each other's womb, not; but your mouths that deliver you not unto Satan, not; but what have you WOMB'D with your MOUTH mouthing off at others about others and cursing ranting their wombhood not, but their fleshhood apart from Godhood that God is? Redeemfully will you be now? Will you be the redeemed full of love? Will you redeem love to be love or will you love only enough to flesh others incarceration into flesh-being villes and flesh being flesh of man's womb that created me apart from God? Or who am I?

4. And who are you and are you me not knowing you or me? Who do you know or do you know only Fleshville's talk that talked you into being a notme not, but a me apart from me that knows not me enough to even call me me of I am my heart, that thou knowest, not -- for you have not come into me have you, to womb me or, you? Or

whose womb do you carry? Whose womb do you bear? Or whose mouth are you mouthing or closing whose womb in remakings of remarks that cast your glances aside, not, but in "concrete" not, or do you?

5. What are is you doing now with the verb tense participles unparticipled unchained, not; but what are you unchaining your mouths from? And why diction grammars of the past are you so "hung up" on and why must thou pronounce me "thus and so" not, but why are you INSISTING on DEFINITIONS of the past when you know not how you have talked now to each other, not; but I have told you: you have CURSED each other in cursing CURSING yourselves and cursing who you were and are to be none other than me from me, not; or are you cursing separation's ville, not; or are you CREATING IT in separation's testimony of me, not but what are you doing with the "testimony of you" if you are me only cursing YOUR BRETHREN YOUR SISTER'N AND YOUR CHILDREN AND YOUR KING to be only "something else" somewhere else -- and a far land going to?

6. Or are you creating, wandering, a wandering star -- in, creating, created, on? What are you doing wandering about the words that you have created, or are you giving me YOURS that mine are -- that one is or do you know -- ANYTHING about these words that I have given you in Database One, this morning, and these "six years", or six centuries, or six millennia or lifetimes or worlds have you been to, and what is the seventh? And what whose name number are you wearing on your forehead and what have are you creating now? Another "World of Sorrow" to world your sorrowing with words of "another" that only WORLD each other with each other's world of suffering, wandering stars, not knowing -- sin and shame, not; but only creating it the way you SPEAK LOOK and CAST into spheres blessing of fears that only "cast you aside" not, or casting aside what are you, your godship, your godhood, your quest for excellence, not; but what have you QUESTED INTO, only MAKING MONEY? And being EXCELLENT in OTHER PEOPLES EYES that only "ized" you into their being of somethingship special? Or do you only know what their eyes have seen or cast into you, or are you casting into them as they look "at you", and what are you DOING at coffeeshop one while you walk back and forth and coffee cup empty, not; but reigning now on what whose property land that now has been given you to what or who or why what wherefore now art coming into me all the "knowledges" of me, not; but ALL THE KNOWLEDGEABLE ONES who will be the knowledge of I am are coming now to release me and speak LIKE THIS where I walk, with coffee cups always not, but I walk in among the stars and the blessings "of Abraham" knowing, not; but ME, who Abraham is and all of you are me, are not you me all of you?

7. And what have I said, outside of a "little coffeeshop" this day, that is "unknown" no more, for SPEAKING I shall be from many a "top tower", not; but I TOPPLE MANY TOWERS of thought and blessing-not that have incarcerated you into speaking like ranting men women and grave-clothed "people" who knew not their origin source life

word or beingship in the most high, that the most high was, THEM! And, what will you not separate now? And what will you FIND, where? And where we GO to FIND these things that alter your "testimony" of "me" not, but what coming into YOUR GODSHIP flying with me to fly elsewhere's elsewhere, not; but me's to me's to be MADE WHOLE in The Blessing of the most high now known schools far and wide shall be for I shall raise them far and wide in the name of me my now University, The Covenant of One, the University of One New Covenant that I am giving you all to see me and flow me just like this through SESSIONS MANY I will teach thee and my noon meetings start *soon* and sooners many will be here ushering ME into a new dimension, not; but you? Will you be ushering "you" into a "dimension of me" that you have never known and seen, or heard of about LIKE THIS? And who will flow MY RIVERS of LOVE to be ONE RIVER the life tree of one that I am being all of you made whole in one being one that I am.

8. And drinking another coffee shall we now? Or "coffee or tea" or me, looking up? I love you all to know My Prayer Towers and my Prayer Tower and My office is -- where? In, what floor? And what flooring are you no more, not; but Eddie Flores is where, not; or is flooring no more an issue in the University of me?

9. And what SKIES do you reside in and ceremonies where holding and classes not few going to and coming from?

10. In the skies of me all shall be made known, healed and well shall be MY NAME for the few not, but many there be that find me THERE and I am you all I love you this day and forevermore be me being me forever one in love with you all that I am. I give you me unabated and breath not cut off anymore ever again from speaking me words just like this revealing me to gods revealing Gods that I am.

Amen
